BUYS OK. LAND

D. H. Dunn who has been in a serious condition, the result of an automobile accident, is thought by his physician, Dr. Campbell, to be improving nicely.

Levi Ogle, proprietor of the Peoples Store, was in Snyder, Monday, on a land deal. Mr. Ogle believes to invest in Oklahoma land is a profitable investment. Here is a successful business man who has bought property in and out of Anadarko, and is well pleased with the deal. Oklahoma is listed far above the average state in the line of good crops. Why not invest in Oklahoma land? There is not a state in the Union but what has, in the past five years, experienced a drouth in some part of the state, Oklahoma ranks with the best.

SMILES

The First State Bank was filled with broad smiles Monday. I was L. N. Gilbert who spread this smile when he announced the arrival of a fine baby girl at his home. The mother and babe are doing fine while the boys and daddy are spreading the news.

Then comes Cleve Harter with news from his home. His smile proved to be caused by the same glad story. A bright baby girl had also arrived at his home. Mother and little one doing nicely and Cleve declares it is the brightest child of its age he ever saw.
